

# \$8.eighty

florida symphony youth orchestra

**\$8.80 provides 1 student with 1 hour of music education**

**don't just donate, own part of an experience!**

## Why the \$8.eighty campaign?

- With shortfalls in education budgets a national problem, arts education is the first thing cut from school programs, making the educational experience that the FSYO provides more important than ever.
- Because we strive to keep the program affordable, membership fees only cover part of the cost of our program. For each student in our program we are short \$8.80 for each hour they participate.
