

The Florida Symphony Youth Orchestra provides an opportunity for the talented young musicians of Central Florida to work and grow together, both musically and in their appreciation for the arts. Not only do FSYO students cultivate their love of music, they also learn teamwork, leadership, and discipline. It is our hope that at the conclusion of their time spent with us, our students depart well-prepared for the challenges of college education and their life ahead. It is also our intent that they use their talents to benefit others and to bring the joy of fine music to their respective communities.

Students rehearse weekly August through April, and play in regular programs throughout the year. Because of the time commitment involved in playing with the FSYO and the immeasurable effect on the community, we are pleased to offer students a maximum of 160 hours of community service for a full season with the FSYO.

Students, please use the chart below to keep track of your attendance throughout the season. You will earn 5 hours for each concert attended, and 4 hours for each rehearsal, with a maximum of 130 hours, depending on which orchestra you're in. Please see your Orchestra Managers if you need help. Attendance will be verified.

Date & Occasion	In Attendance? Y or N	Hours earned
